

# MAY IN MOTION

ACHD COMMUTERIDE

**ATTENTION EVERYONE!**

It's that time of the year again! **We're thrilled to share we are participating in ACHD Commuteride's 2024 May in Motion campaign, and we want YOU to be a part of it.**

May in Motion (MiM) is all about promoting green commute options throughout the Treasure Valley, which include carpooling, vanpooling, riding the bus, biking, walking, and teleworking. We encourage you to **explore [SharetheRideIdaho.com](https://www.sharetherideldaho.com)** (STRI) to discover the best green commute option for you.

**By tracking your commutes on STRI, you can help us earn Platinum at the May in Motion Awards Luncheon. You can also earn free money!** Check out the Commute for Cash flyer to learn more.

**Let's make our commute greener and more rewarding together!**
