

ACHD COMMUTERIDE

ANNUAL REPORT

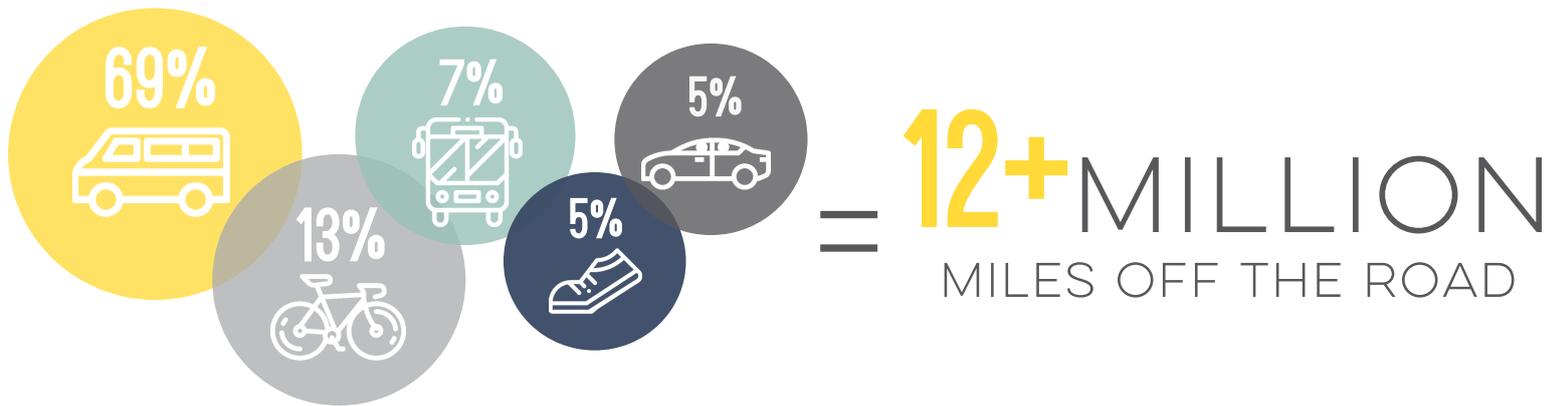

2018

COMMUTERIDE.COM

LOOKING 2018 BACK

ACHD Commuteride celebrated a 10% increase in smart commute trips last year, due to one-on-one commuter assistance, free Commuteride Works services provided to employers, and strong partnerships forged in the community. As the Treasure Valley grows, so does our success in reducing vehicle miles traveled. Take a look at the highlights and impacts of our 2018 successes.

COMMUTER

Introduced smart transportation options that make commuters happier, healthier, and wealthier

EMPLOYER

Expanded labor pool and employee retention, increased sustainability, & improved bottom line

COMMUNITY

Reduced traffic congestion and vehicle emissions, promoted financial sustainability, and established important partnerships among public and private organizations

agency partnerships to responsibly use taxpayer resources

taxpayer dollars spent on vanpool operations

5

vans provided to GoRide program

1,211

fewer cars on the road every day

Discounted carpool and vanpool parking passes available in **7** downtown garages

Partnered with Idaho Transportation Department to provide ride matching for **2,922** commuters statewide

A NOTE FROM

ACHD

COMMUTERIDE

What a privilege it is to work with the many Treasure Valley businesses, organizations, and employees who so proudly support our mission to improve the quality of life through smart commute options. ACHD Commuteride could not have accomplished the successes outlined in this report without these partnerships.

From its beginnings as Valley Commuteride, a carpool matching service established over 40 years ago, to its current status as the longest running multi-employer vanpool program in the nation, Commuteride has led the Treasure Valley in a reduction in vehicle miles traveled. Through education, outreach, and partnerships, we continue to promote Transportation Demand Management.

Forty years later, our goal remains the same: preserve the life of our existing roadways and limit the impacts of traffic in the Treasure Valley. We take pride in the positive impacts that result from our work – fewer greenhouse gas emissions and water pollutants.

All in all, 2018 was an outstanding year. It is my personal and professional pleasure to lead Commuteride toward an even more successful 2019. Thank you to everyone who supports Commuteride. We look forward to continuing our partnerships, education, and services with each and every one of you.

MAUREEN H. GRESHAM, AICP
MANAGER, ACHD COMMUTERIDE
